Jen found a bag of flower seeds.
What can she do with them?
Jen had a frown on her face.
Then she smiled.
She will make a flower garden!

What will she do first?
Jen will plant her seeds.
A good spot of land
is what Jen needs.

This dirt is nice and brown.
Jen digs tiny holes
for the seeds.
She will dig holes
for every single one of them!

Now the seeds can be planted.
One seed in each hole
is how it's done.
Put dirt on top,
but do not pound it down!

It's time to water each seed.
It is a shower for the flowers!
It will help them sprout.
Now they just need sunlight.

When will the flowers sprout?
Without a sound,
the flowers will poke out
of the ground and go up to the sky.

Jen is so proud!
Her flowers did get big.
She will pick one flower
and take it home.
