(*) Truyện cổ tích "Bộ quần áo mời của hoàng đế" kể về một ông vua tham lam, bị bọn thợ may lừa gạt cho mặc cái áo "không khi" với lời nói dối "chỉ có ai thông minh tài trí mới nhìn thấy được cái áo ấy thôi". Nhà vua sợ bị mang tiếng là ngu dốt nên khẳng định là mình có nhìn thấy cái áo, và thế là cứ "trần như nhộng" mặc cái áo "không khi" ấy đi ra ngoài đường.
