There are three easy ways to become healthier. Firstly, you should try to eat a variety of foods. Make sure that you eat more fresh fruits and vegetables than high-fat food. You can also choose beans or tofu and low-fat milk for your meal. This can help you avoid obesity and provide you a lot of vitamins. Secondly, it is important to get some exercise. You can do some easy movements right after you get up. Try to work out at least half an

hour or an hour at a gym a day or walk around your neighborhood. Exercise improves the body in many ways. It makes your heart and muscles become stronger. It is one of the most important parts of keeping your body at a healthy weight. Thirdly, avoiding bad habits. Some habits are unhealthy such as staying up late or working too hard. You should sleep enough and take a rest after working for a long time. Remember to shower and clean your teeth every day.
