A black and white illustration of a village scene. In the foreground, a girl with pigtails and a boy are looking at a large, round, striped object. The background features several houses built on stilts, surrounded by trees. A large starburst shape is in the center, containing the text 'PHẢI CHĂNG NƠI NÀY CHÍNH LÀ...'. Several birds are flying in the sky.

A whimsical black and white illustration of a village where houses are built on the branches of large, leafy trees. Several birds, some with human-like features like dresses and aprons, are flying through the air. Some carry baskets, and others are in conversation. In the foreground, a group of five birds, including a tall stork-like bird, are gathered near a large, ornate fountain. The scene is set in a lush, hilly landscape with various plants and flowers.
